** MYW Base Ticket expires 14 days after first use unless no expiration option is purchased.

The **Magic Your Way Base Tickets** offer the most savings to guests who plan to visit one park per day of their vacation. Disney's Theme parks available with the Magic Your Way Tickets are as follows:

- Magic Kingdom® Park
- Epcot®
- Disney-MGM Studios
- Disney's Animal Kingdom® Theme Park

The seven-day Magic Your Way Ticket averages just \$29.14 per day, less than half the price of a single-day ticket (\$63 per adult, before tax). These tickets expire 14 days from the first day of use - there is no expiration date prior to the first day of use. For guests who want something more, add-on options are available.

No Expiration Option - For an extra \$10 - \$135, you can choose to extend the expiration date to indefinitely for unused days. Normally, the Magic Your Way Tickets expire 14 days after the guest's first visit to a Walt Disney World Theme Park, with this option, there will no longer be an expiration date to the unused days.

Park Hopper Option - For an extra \$40, Magic Your Way Ticket holders can come and go as they please through all four Disney theme parks on the same day or every day of their pass.

Magic Plus Pack - For an extra \$50, Magic Your Way Ticket holders can add visits Disney's water parks (Disney's Blizzard Beach and Disney's Typhoon Lagoon), DisneyQuest, Downtown Disney Pleasure Island or Disney's Wide World of Sports Complex. The added visits are between 2 - 5 visits, depending on the length of the Magic Your Way Ticket.
